## AT CASA GIOIA...

*We don't just deliver desserts. We help you become the most valuable hostess- the one whose taste, attention to detail, and effortless elegance sets the standard.*

## Who We Are

At Casa Gioia (pronounced joy-ah), we believe dessert is so much more than a treat—it's a feeling, a memory in the making, a moment of joy shared with the people who matter most.

Founded with intention and heart, Casa Gioia is a boutique pastry house devoted to creating artful confections that elevate every celebration. From handcrafted cakes to exquisite desserts, our work is rooted in the belief that beauty, comfort, and connection can all be baked into a single bite.

Our name means “house of joy,” and that is exactly what we aim to deliver—with every detail, every flavor, every experience. Whether we're designing a wedding cake, a dessert station, or a simple box of sweets, we pour care, creativity, and soul into everything we do.

Because we know that dessert isn't just eaten—it's remembered.
