What's Our Deal?

We are a bake-to-order business located in Miami, FL. We are family owned, women run and together with my mom, aunt and small but mighty team have been sharing joy through desserts for the past 10 years.

What does Gioia mean?", many of you have asked. Gioia simply means "joy" in Italian. But for us this means so much more than that: it's the core of this business, as we've made it our purpose to bring joy to whoever eats our desserts. This goes beyond baking a simple confection – it's about feeding your souls with what we believe is the best ingredient – Gioia.

How It Works

01. DATE & INFORMATION

The first step to place your order is to provide us with the date, time, and number of guests for your event. If requested, we may also assist you with quantities and pairing suggestions.

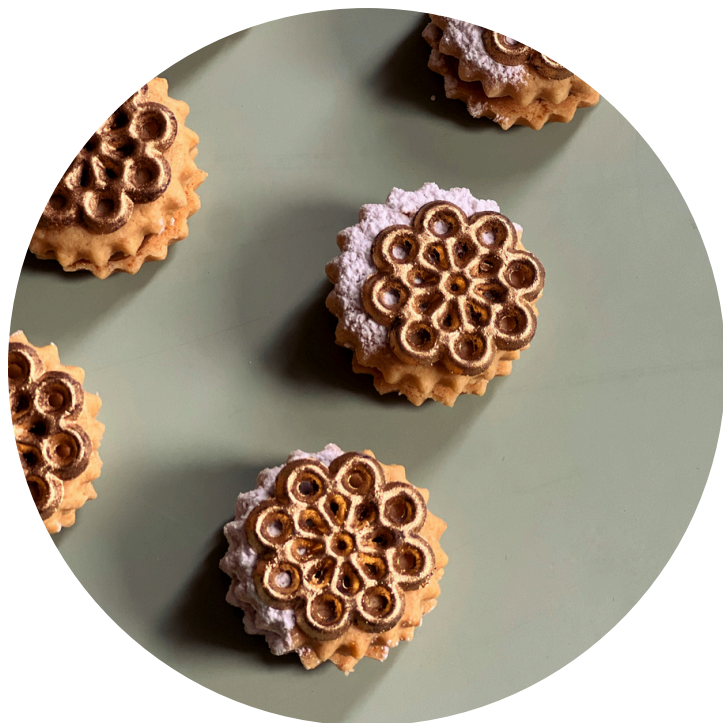

02. BROWSE & SELECT

Next, you will browse the desserts menu below and choose your favorites. You can select as many varieties as you'd like! We recommend considering at least 2 items per person and 4 dessert options.

03. PAYMENT & CONFIRMATION

After you select your desserts, you must send us an email with the names and quantities of each. Then, we will send you a final quote for you to revise. Once the quote is approved, we request full payment in advance to confirm your order.

DESSERTS MENU

On the upcoming pages, you'll discover a wide range of desserts for your event. Each selection has been thoughtfully chosen to suit various preferences. **Please note that all prices are per dozen, and a few items require a minimum order of 2 dozen.** Additionally, we offer customization options to align with your theme for an additional charge.
